**Re: Application of Duke Energy Carolinas, LLC
for approval of Energy Efficiency Plan
Docket No. 2007-358-E**

Dear Mr. Terreni:

Enclosed for filing please find the following testimony on behalf of Duke Energy Carolinas, LLC in the above-referenced docket:

1. **James E. Rogers**, Chairman, President and Chief Executive Officer of Duke Energy Corporation, the parent of Duke Energy Carolinas, LLC. Mr. Rogers is a director and officer of Duke Energy Carolinas. Mr. Rogers explains the impetus for the "save-a-watt" energy efficiency proposal and its key elements.
2. **Ellen T. Ruff**, President of Duke Energy Carolinas, discusses the need for the save-a-watt regulatory model in South Carolina.
3. **Jane Sadowsky**, Senior Managing Director of Evercore Partners, provides a financial analyst perspective on the Company's save-a-watt model.
4. **Judah Rose**, Managing Director of ICF International, provides an economic analysis of Duke Energy Carolinas' save-a-watt model.
5. **Theodore E. Schultz**, Vice President of Energy Efficiency for Duke Energy, describes the portfolio of energy efficiency programs contained in the Company's Application.
6. **Janice D. Hager**, Managing Director of Integrated Resource Planning and Environmental Strategy for Duke Energy, describes

This document is an exact duplicate, with the exception of the form of the signature, of the e-filed copy submitted to the Commission in accordance with its electronic filing instructions.

how energy efficiency is reflected in the Company's Integrated Resource Plan.

7. **Richard G. Stevie**, Managing Director of Customer Market Analytics for Duke Energy, explains the DSMore model used to evaluate energy efficiency.
8. **Nick Hall**, President of TecMarket Works, discusses the adequacy of the Company's program evaluation protocols and proposed measurement and verification method.
9. **Stephen M. Farmer**, self-employed Independent Contractor, explains how the Company's proposed Energy Efficiency Rider is calculated.
10. **Dwight Jacobs**, Vice President, Franchised Electric and Gas Accounting, discusses the Company's proposed accounting and reporting treatment for energy efficiency program costs and earnings.

An original and two copies of each are included for filing. Please date-stamp the extra copy of each of the testimonies provided as proof of filing and return them with our courier. By copy of this letter we are serving copies of the same on all parties of record. If you have any questions, please have someone on your staff contact me.

Yours truly,

ROBINSON, MCFADDEN & MOORE, P.C.
